

WHAT CAN YOU DO?

Let's play STORM Bingo! Before the meeting, make bingo cards for all of the club members. Using a piece of paper, ruler, and a pencil, draw five columns vertically and six columns horizontally. Your grid should look like a regular Bingo card. Put one letter of S-T-O-R-M in each of the top squares. Under "S" write, "Signs of a Storm." Under the "T" write, "Take Cover." In the "O" square write, "Getting Organized." Under "R" write, "Risky Behaviors," and in the "M" square write, "Meteorology Terms." Select words from the following lists and fill in the squares below each heading. You may want to create a few words on your own. Be sure to place words under the correct headings. Make a variety of cards. You do not want everyone to have the same cards.
